Standard Character Claim No **Mark Drawing Type** 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS(S)/ LETTER(S) **Description of the Mark** The mark consists of a three-dimensional configuration of a bottle with a neck that emanates upward from the center and contains three ridges on each side. The front of the bottle contains four diagonal bands that form a diamond shape. The bands have arrow-shaped points on each end. At the top and bottom of the diamond shape formed by the diagonal bands appears a diamond with an oval-shaped design inside. The diamond shape at the top has two curved bands emanating from the top right and top left portions of the diamond. On the right and left of the diamond shape formed by the diagonal bands are larger diamond shapes that curve around the sides of the bottle. The bottom of the bottle design contains horizontal wavy lines that extend across the entire front of the bottle. The broken lines depicting the outline of the bottle and the cap indicate placement of the mark on the goods and are not part of the mark.
